

Dear Medicaid Beneficiaries, Advocates and Others:

St. Camillus is part of a Performing Provider System (PPS) under New York State's Delivery System Reform Incentive Payment (DSRIP) program. DSRIP focuses on health care system transformation, where providers work to improve and coordinate community based, primary care, mental health and preventive care services. The lead PPS organization in our area is Central New York Care Collaborative, Inc. (CNYCC).

We participate in certain DSRIP projects in the CNYCC PPS, including the following:

- Integrated Delivery System
- Emergency Department Care Triage
- Care Transitions
- Cardiovascular Disease Management
- Palliative Care Integration
